## HOUSE RULES

**We have five basic rules to ensure that all members and guests can enjoy their use of the club.**

### Respect for other members

1. A tidy standard of dress is required.
  - \* Please be tidily dressed - no workboots, singlets, scruffy jeans etc.
  - \* Please don't wear T-shirts with offensive or inappropriate words or designs.
  - \* Please refrain from wearing low-riders that reveal boxer shorts or bare skin.
  - \* Headwear is allowed to be worn in the club except for Club night which is generally on a Thursday. Hoodies are expressly forbidden to be worn up .
2. Please be considerate of other members.
  - \* Please use moderate language.
  - \* Please refrain from behaviour which may offend, insult or embarrass other members or their guests.

### Respect for our neighbours

3. The club is a good neighbour. The club is part of the community and has neighbours nearby.
  - \* Please come and go quietly - refrain from shouting, tooting your horn, or other loud behaviour when you are outside the clubrooms.
  - \* Please respect our neighbours' right to privacy and peaceful occupation.

### Respect for the club

4. The club is a responsible host. The club holds liquor and gaming licences which depend on the good behaviour of our members.
  - \* If you invite guests to the club who are not members, you are responsible for them and their behaviour.
  - \* Please don't arrive at the club intoxicated, or display drunken behaviour on the premises or when leaving. The club has an obligation to refuse service to intoxicated persons.
  - \* Don't drive home if you may be 'over the limit'. We have a courtesy van available most nights.
  - \* Please use the gaming machines responsibly. Pamphlets are available at the club which provide help with problem gambling.

### Respect for our community heritage

5. The RSA holds the legacy of the men and women who have served New Zealand through many years. We are respectful of that heritage.
  - \* Please follow the guidelines above.
  - \* At 6pm on Thursday evenings, the club pauses briefly to remember those who fell in service to our country. Please join with us to do so.

**A genuine Kiwi connection at the heart of our community**
